TESTIMONY:

Three Mile Island class action hearing (8/81); Pennsylvania Liquor Control Board hearing (7/85); Pennsylvania Low-Emissions Vehicle Commission hearing (8/93); The Pitt News and Pittsburgh ACLU hearing (4/99).

CONSULTING & LITIGATION:

I have experience in three main areas: (1) antitrust damage assessments; (2) environmental damage assessments, including air pollution and noise; and (3) advertising regulation and the First Amendment, especially as applied to alcohol and tobacco. I was deposed in three cases involving bans of advertising of alcohol beverages (7/98, 5/00, 12/06) and an aircraft noise nuisance case (12/05). I have testified under oath in 2 other cases (8/81, 4/99) and at two public regulatory hearings (7/85, 8/93). My major consultancies & professional contacts:
